 Have you *outgrown* your church facility?
 Let us **SELL** it to new churches relocating to metro Atlanta, and assist you with **finding an existing church** or land to **relocate** your church!
 I have **LISTED** and **SOLD** dozens of churches in the metro Atlanta area as well as established existing churches to schools or start-up new churches. This has brought extra revenue to churches that aren't using their facility all week.
 List your **Church Specialist** and I think outside the box. I want to **help you successfully** your goals. Share them with me and let us up a private meeting so we can discuss your situation.
